IB LEARNER PROFILE OF THE MONTH

REFLECTIVE

IB Learners strive to be *Reflective*

- We thoughtfully consider the world and our own ideas and experiences.
- We work to understand our strengths and weaknesses in order to support our learning and personal development.

“Without reflection, we go blindly on our way creating more unintended consequences, and failing to achieve anything useful.”

Margaret J. Wheatley

The VALUES MATTER Characteristic for the month is
HONESTY

Report Cards

Report cards for the third nine-week grading period will be distributed by April 14th. Please review your child’s report card carefully and contact your child’s teacher, counselor or team leader if you have questions.

Student Progression Plan

Any student who fails a core course or ends with a “D” for the year will be removed from the Magnet program at Ammons and will be required to return to their home school for the coming school year. Any student who earns one “D” during the 9 weeks in any course will be placed on probation. As a reminder, students must maintain a 2.0 GPA in all classes and conduct to remain in good standing at Ammons. Please review your child’s performance in the third grading period. Counselors have been meeting with students and discussing strategies to support children at this important time.

Required Immunizations 2022-2023-Urgent Review – Parents of Current 6th Graders

Next year’s 7th graders must be in compliance with State of Florida immunization requirements—specifically the TD Booster. Questions should be directed to the Registrar, Rosi Abella, at (305) 971-0158, ext. 4504. Failure to turn in immunization forms in a timely manner will result in non-enrollment and excluded until those requirements are met. This means students will not be able to attend classes the first week of school or until the child is in compliance.

Calling All Volunteers

The school volunteer hours are due. If anyone has volunteer hours and your log is not updated in the volunteer binder located in the main office, please do so as soon as possible. The volunteer hours are used to determine the Golden School Award Winners. We are proud to be a Golden School for the past seventeen years and we look forward to winning this year.

Fathers in Education Day

Calling all Dad’s and father figures to join us on April 21st virtually during lunch time for our ‘Dining with Dad’s’ activity. During each lunch wave, students will be allowed to use their device or phone to connect with their dads’ and participate in an activity/trivia contest to celebrate Fathers in Education Day.

8th Grade Dinner Dance

Students attending the 8th Grade Dinner Dance must be in attendance the day of the event.

End of the Year Fieldtrip Requirements

Student MUST have no lower than a C2B in all classes to remain eligible for all end of year trips. Grades will be checked for the 1st and 2nd 9 weeks before students pay; however, if students’ grades drop below the required minimum for the 3rd 9-weeks he or she will be removed and NO REFUNDS will be available. In addition, any student receiving an administrative referral or administrative detention will not be permitted to participate in the activity – and will forfeit any money paid for the activity and/or field trip.
